

2024 OHIO BEEF EXPO JUNIOR SHOW STALLING

There will be three options for stalling junior show cattle at the Ohio Beef Expo March 14-17, 2024.

OPTION 1

The first option will allow exhibitors to bid on remaining viaduct bays or a **limited** number of premium stalls (not to exceed 15% of the stalls) in Gilligan, or buy stall blocks in the horse barn at a fixed rate. The purchase of premium space is not required and solely up to the discretion of exhibitors who wish to secure specific stalls. All proceeds from the premium stalls will be used to benefit the Ohio Beef Expo Junior Show. **The online auction will be held on Show Circuit on Feb. 21, 2024.**

**THE OTHER TWO OPTIONS WILL BE THE SAME AS LAST YEAR
AND WILL BE OFFERED AT NO ADDITIONAL COST.**

OPTION 2

Beginning March 6 and ending March 8, exhibitors will have the opportunity to select their top three stalling preferences in Gilligan by filling out the online form - the same form that was filled out last year. Exhibitors will be able to stall in groups or individually. All stalling forms will be time stamped, so submissions will get their first choice according to when the form was submitted online. There will not be an additional cost for these spaces.

OPTION 3

The last option is to stall when you get to the fairgrounds. This will allow exhibitors to stall in the remaining Gilligan spaces at no additional cost.

WHAT YOU NEED TO KNOW ABOUT STALLING

- Manure will be placed in the manure dumpsters
- Trash needs to be placed in the respective trash cans
- No matter the location of stalling for exhibitors, ALL exhibitors MUST check in at the junior show office prior to stalling at Expo to ensure that all Entry Fees and Memberships are paid

VIADUCTS:

- All viaducts will be sold with the expectation that there is a minimum of 10 head per bay
- If you have viaduct space, you do not get additional space in Gilligan
- **Mulch is NOT provided**

HORSE STALLS:

- Will be sold in lots of 3 stalls in a consecutive order. You will be notified of exact stall numbers after the sale according to how the stalls were purchased.
- Horse stalls MUST be put back to how they were found or exhibitors will incur additional fees or loss of junior show points
- Exhibitors get the stall directly across the aisle from the ones they purchased (same as Clark County stalling).
- **Mulch provided**

GILLIGAN BUILDING:

- **Mulch provided**
